

OKANAGAN TREASURE HUNTERS CLUB AUGUST 2016 NEWSLETTER

Congrats to Syd Birch on finding the club coin.

NEW CLUES FOR THE CLUB COIN

Back to Penticton this time. Find a corner, something about trees.
See a pathway with a stone marker. Take a walk to the water. Stop.

Turn either left or right and keep walking.

If a runner at first hides your view of the batter,
then the coin is directly in front of you.

Club Hunt @ Mineola

There were ten of us who braved the ghost forest of Mineola. There were no coins found but a few of us found the odd relic or two. We hunted for a few hours and then stopped for delicious bbq hotdogs. It was a good time had by all.
