

# OKANAGAN TREASURE HUNTERS CLUB MARCH 2016 NEWSLETTER

Congrats to Bob Omand on finding the club coin.

## NEW CLUES:

### THE BRIDGE TO SOMEWHERE, ANYWHERE, NOWHERE

That's right I am hidden within 10 easy paces from this infamous structure.

I will now give detailed help, no matter where in the valley you live.

Let's start by leaving Penticton heading north on hwy 97.

Travel north past 5 traffic control lights. At the 6th turn right.

For you folks that live in or around the Kelowna area, you will cross the big bridge southbound. You will soon come to an intersection, let's call it "Butt Rd." From Butt Rd. continue heading south through 5 more traffic signal lights. At the 6th turn left.

You should now all be in the same place.

Now let's all travel until we reach the big red sign that forces us to stop. Make a quick right turn here and continue until you once again come to a traffic control signal. Look at all the places to hunt along this route. Nice aren't they? And some great places that could hide our club coin; but they don't. Now turn left and drive for about 3.8 km. Cross the "horny" creek, but don't climb the hill. You will now say "Ah Hah, I Know Where The Coin Is"

.....and thank you all for playing.
